

Alla utgivna superhjältespel

Det här är en lista på alla de superhjältespel som getts ut till hemmaskiner och bärbara konsoler. Det exkluderar alltså arkadmaskiner och mobiler. Om samma spel står med flera ggr är det olika spel, eller spel som skiljer sig betydligt fast de heter detsamma. Spelen är organiserade efter huvudkaraktär eller grupp. Om något inte skulle stämma tar vi gärna mot information så vi kan komplettera listan.

Följande förkortningar används:
